

2010 Regional Social Studies Fairs

Fair Dates, Deadlines for Entries, and Contact Information

1. School District Level Social Studies/Fair Coordinators or Curriculum Directors (if there is no district level *social studies* coordinator) should sign and submit entries to the regional directors. If you are a school level coordinator, consult with your school district social studies coordinator/curriculum director for your role in the process.
2. A regional map and corresponding school system listing can be found in the 2010 Social Studies Fair Guide at www.qcss.net beginning on page 13. You may email your regional director to ask him/her to put you on a list for possible last minute updates.
3. **All forms should be typed/completed using the computer** (webmaster has included type-on feature), with the exception of blanks that require **parental signatures**. Incomplete teacher and parent sections will cause a delay in the organization process and publicizing of winners and may result in inappropriate t-shirt sizes (when t-shirts are funded) if students advance to the state contest. **Parents and school officials**, please be certain **all blanks are complete and accurate and choices circled** before forwarding entry forms to the system level.
